

July Newsletter

Happy July! The weather has finally gotten warmer but just a reminder we do go outside if there is not a weather alert. Please make sure to dress your child appropriately for outdoor play. You may also want to check your child's cubby has extra clothes that fit and are good for the warmer temperatures.

Water Days

Now that the weather is cooperating please remember to send your child in their bathing suits on their water days along with a change of clothes. Water shoes or sandals are also necessary so their other shoes stay dry.

Intermediate and PreK Summer Camp
