## Warming up for sunnier days...

April was an incredible month, our classes have been soaking up all the time they can outdoors and getting lots of opportunity for gross motor activities on the playground. As we approach much warmer months, keep an eye out for sunscreen forms and walking permission slips to come home for your child.

## Academics

### Progress Reports, Portfolios, and more!

Winding down the school year comes with reflection and of course, some celebration! Our Pre-K families will soon be joining us for our Pre-K graduation ceremony. We can't wait to celebrate this big transition to Kindergarten! Towards the end of this month all families will be receiving updated progress reports and a portfolio to review a snapshot of academic developments from the past year.
